This index was prepared in manuscript in 1885 by William Patterson, a prodigious worker for the Salem County Historical Society and one of its early Presidents. Besides writing many articles which were read before the Society, he presented a number of scrap-books prepared by him, which are of inestimable value and are in constant use.

The index should be a useful tool for those who have occasion to consult Shourds' valuable work of 1876. Altho a few errors in the text have been discovered, yet the book as a whole gives much reliable information respecting Salem County and its families, and is well worth consulting.

Mr. Shourds copied much of the vital statistics entered in the minutes of the Friends' meeting at Salem, New Jersey. His manuscript thereof is in the library of the Society. A copy of the minutes is in the Library of the Genealogical Society of Pennsylvania.

To our appreciation for Mr. Patterson's labors, may be added our thanks to Miss Josephine Jaquett, who recently typed the index, and to Elmer Garfield Van Name, Esq., a member of the Society, who made this publication possible.
